

Moments & Memories

Meet Jonna McKelvey

I was born and raised within the Grand Rapids Michigan area. Upon High School graduation I had high hopes of becoming a famous fashion designer or a clothing line owner. I moved to Casper Wyoming in which those dreams of fashion went downhill fast. I went into healthcare as a C.N.A. and fell in love with the industry. A few years later I moved into the kitchen and pursued the Certified Dietary Managers course. Till this day I have been furthering my education in hopes of one day becoming a Registered Dietitian. I have beautiful children and hope to create a beautiful life for them. I dream of the day to return to the redwood trees of California and camp on Mount Shasta. ■

RESIDENTS & FAMILIES

A Busy Month!

On April 12th and 19th, two groups of residents, staff, and volunteers went to Frederick Meijer Gardens to see all of the gardens and the Butterflies are Bloomin' exhibit. The first group got to see more butterflies on their trip as it was peak time, but the second group got to see all the blooms that popped up within a week. A great time was had by all!

Our transportation Coordinator, Lori Rice, brought in a baby goat a few times this month. The whole community enjoyed watching it run around and jump, and a few got to bottle feed it.

We held our annual Easter Egg Hunt and the Easter Bunny swung by as well! Grandchildren of our residents as well as children of our staff all came out to hunt for eggs and enjoy some cookies and punch. Two lucky kids were even picked to win a basket of goodies. Thanks to all who helped with these wonderful events, and we are all looking forward to Nursing Home Week 2017!
