

Moments & Memories

Ruth Countiss had a very touching and interesting request for our Administrator, Kim Turcott, back at the end of April. Ruth told her that she looked out her window every morning where she could see the flag, and recites the pledge after saying a prayer. She wanted to know if she could have her husband's flag that she received after he passed sent up here so she could fly it on the flag pole up front. It would mean a lot to her, to look out her window to say the pledge every morning and know that a piece of her husband flew not far outside her window. Ruth wanted to do this on May 9th, celebrating not only her husband's flag, but her 6 month anniversary of living here. Kim put in the request to have this done, and Ruth contacted her loved ones to have the flag sent here. On May 9th, surrounded by a few peers, her caregivers, and staff, her husband's flag was raised. She requested that we all join her in the Pledge of Allegiance after the flag reached the top. Happy 6 Months Ruth, and thanks for sharing this amazing moment with us! ■

A NEW FLAG

Nursing Home Week

We kicked Nursing Home Week 2017 off on May 13th with a Mother's Day Tea. This year's theme was "Spirit of America." Each day had an American Theme to it and our staff had a decorating contest with a Red, White, and Blue theme. Gardenview won 1st place, Elaine Cochran and Jen Phillips won 2nd, and the Restorative team won 3rd place.

Monday was Auction Day for our residents. Each resident that participated received 30 "Auction Bucks" to spend on various items that have been graciously donated from volunteers and families.

On Tuesday, we had "Western Day," complete with a community wide

cook-out and a petting zoo. A special thank-you to Renee Piebenga, Melissa Sanders, Chelsea Johnson, Kim Turcott, Kayla Adrianson, and Jessica Cooley for bringing all of the animals out to visit our folks.

On Wednesday, we celebrated American Music by playing a Musical version of Giant Monopoly. Thursday was the Great American Waffle Breakfast that was enjoyed by staff and residents in the morning. We topped Friday off with a bit of ice cream as Coldstone Creamery came once again to give us all yummy sundaes!

Thanks to all who helped pull off this fun packed week! *(There are more pictures inside!)* ■

Success Story: Two Thumbs Up!

Don Simpson came to ACMCC for some strengthening and rehabilitation after a hip surgery. After a couple weeks of physical and occupational therapy he was able to regain his independence and return home. During a conversation with our staff Don told us "Your therapists have worked wonders on me and I've regained so much independence. My friends from church have always recommended this place and I would join that crowd whole heartedly now. If I ever have to, I'll come back here. Two thumbs up!"
