

# Moments & Memories

## Fun in the Summertime!

We have been enjoying nearly daily (weather permitting) morning exercise class in the courtyard. The rainbow parachute is always a hit and gets everyone laughing and exercising without even knowing it!

Our gardens are coming to life with flowers and veggies, but we also enjoyed some indoor fun while painting pots for summer annuals to add to our décor.

We are very fortunate that our friend, Lou Thierwacher, is now offering a monthly sing-a-long of classic tunes. ■

### *A few safety reminders:*

- The majority of our resident elders have more fragile, thinner skin, therefore exposure to heat and cold can be more hazardous and potential cause injury.

- Please do not bring in items that produce heat, such as electric blankets, curling irons, etc. without talking with our care team first. ACMCC is fortunate to have blanket warmers and professional salon-type dryers in our beauty shop in which temperature can be regulated and controlled for safety.

We appreciate your help in this matter.  
Safety first!
